

A Level Spanish Summer Induction tasks for Year 11

Compulsory

Task1 – Work through the attached grammar revision booklet.

Task 2 - Research a topic relating to Spain or a Spanish speaking country and produce a short presentation in Spanish (no more than 5 minutes). You should create a PowerPoint to illustrate your findings. As part of the Year 2 A level course you will need to do an Individual Research Project, so this task will help you with the skills needed for that aspect of the course. Some ideas of topics are below but you are welcome to choose anything you are interested in.

- A Spanish tradition (bull fighting, festivals etc)
- Spanish food and drink
- A famous Spanish person.
- A period of history in Spain
- A Spanish region

Task 3 - Find a Spanish newspaper article about something that interests you and write a summary of the article in English.

Task 4 - Find a Spanish song you like and translate the lyrics into English

Task 5 – Tell me in Spanish why you want to study the language further. I will ask you this question in the first lesson of the year.

Task 6 - Optional depending on availability

Watch a Spanish film (many are available on the usual streaming sites eg Netflix, Amazon Prime etc) and write a film review in Spanish.
