Welcome to Sixth Form

Steven Jarman, Hessle Campus
Lynsey Taylor, Wolfreton Campus

The Consortium Sixth Form College works together across two campuses at Hessle and Wolfreton to provide a vibrant and successful community, supporting students in achieving their ambitions.

As Heads of Sixth Form, we have been fortunate to work with a large number of amazing students over the years, and it has been a pleasure to have played a role in their educational journey. Our Sixth Form College has a strong history of enabling its students to achieve excellent outcomes, allowing them to progress onto highly successful careers.

Studying with us provides you with the opportunity of achieving the best possible grades. We offer A Level and vocational options, covering a wide range of subject areas to meet your individual needs. Our courses have smaller than average class sizes and are taught by qualified subject specialist teachers with a wide range of backgrounds and expert knowledge in their field.

Our students receive excellent pastoral care and support from our dedicated team of staff, and you can also gain additional skills through our programme of enrichment and extracurricular opportunities.

Choosing where to study after completing your GCSEs is an important decision. Throughout Year 11 you will have the opportunity to take part in events and activities to experience life in the Sixth Form and explore subjects of interest. We will also meet with you to provide advice and guidance regarding your options. This process starts with our Sixth Form Open Evenings and we look forward to seeing you there.

Our Values

Ambition

We have high expectations, believe in our abilities and in our capacity to learn and develop new skills in an environment where we all reach our potential.

Collaboration

We value working together, encouraging each other and celebrating our own success as well as that of our peers.

Excellence

We are determined to be the best that we can be. We are proud of our achievements, committed to progress and excited by the opportunities ahead of us.

Enrichment

Having a great set of academic qualifications is a very small part of what makes a person shine.

We offer a variety of enrichment opportunities in addition to your regular studies. From trips and visits, work experience, sport, courses and volunteering there are so many options open to you.

For future medics, teachers and lawyers we have specialist programmes tailored to meet your needs.

Our campuses also have a great social community. Our Sixth Form Student Council focuses on the Sixth Form experience and plans events for everyone to take part in including charity fundraising events for various local and national charities and the Sixth Form Prom.

Our Team

Tell us a bit about you

Studying Classics through the Consortium sparked my passion for the ancient world, leading to a first-class degree and MA in Ancient History. As a History teacher and examiner, I love sharing the drama of the Tudors

and encouraging students to explore history beyond the classroom.

What do you love about your job?

I love teaching two subjects that I am passionate about and sharing that enthusiasm with students who are equally committed and engaged. Seeing their knowledge, confidence and curiosity grow is one of the most rewarding aspects of my role.

Hannah Young

teaches Classics and History at Hesse

Tell us a bit about you

With 19 years of teaching experience and a previous career as a cybersecurity specialist, I bring real-world industry expertise into the classroom. I have also worked with the National Centre for Computing Education and the Raspberry Pi Foundation, supporting the development of computing education and resources nationally.

What do you love about your job?

I love helping students shape their futures in a rapidly evolving industry. Drawing on the knowledge and inspiration that first sparked my own passion for computing, I enjoy equipping students with the skills and confidence needed for success.

Paul Scott

teaches Computer Science at Hesse

James Aygun

teaches Drama and Theatre Studies at **Wolfeaton**

Tell us a bit about you

As a former Consortium and Wolfeaton student, I developed my passion for performance before earning a BA in Theatre Acting and a Master's in Film & Screen Acting at YAFTA. I now enjoy sharing this enthusiasm with students.

What do you love about your job?

I am passionate about seeing students grow not only as performers but also as individuals. Drama develops confidence, critical thinking, adaptability and teamwork. Leading the school production each year is a privilege, and I am continually inspired by the talent, dedication and enthusiasm of our students.

Sophie Joyce

teaches Applied Psychology, Criminology, Health and Social Care and Psychology at **Wolfeaton**

Tell us a bit about you

Since beginning my teaching career in 2021, I have had the opportunity to teach a wide range of Social Sciences and Humanities subjects, including Criminology, Psychology, Sociology, Health and Social Care, Law and Religious Studies.

What do you love about your job?

What I enjoy most about teaching is making a positive difference to students' lives. Seeing them grow in confidence, develop new skills and realise their potential is incredibly rewarding. Every day brings new opportunities to inspire, support and celebrate success.

» Abbas

Positive Destinations

As well as links with Oxbridge and other top universities, we offer degree specific support for students applying for subjects such as medicine, dentistry, veterinary medicine, law and teaching.

Careers advice is provided to ensure students are aware of the breadth of opportunities available to them. We visit the UCAS Discovery event to enable students to explore university options and attend an apprenticeship fair where students can speak to employers about the opportunities available.

Some success stories this year include...

Hessle

Abbas who achieved brilliant A level results with three **A*** grades in Maths, Further Maths and Physics, an **A** grade in Computer Science, alongside an **A*** in his EPQ. He is now studying Computer Science and Maths at Manchester University.

Kai achieved **A** grades in Mathematics and Physics, alongside a **B** in Biology, and an **A*** in her EPQ. She is now studying Optometry at the University of Manchester.

Chloe achieved fantastic results including an **A*** in Law, **A** in History and a **B** in English Literature. She is now studying Law at University of York

Wolfreton

Amelia who achieved amazing results, an **A*** in English Literature, **A** in Art, **B** in History and an **A** in her EPQ. She is now studying English Literature at Durham University.

Matthew achieved **Distinctions** in ICT and Sport, alongside a **Merit** in Engineering. He is now enjoying the next stage of his journey, studying Game Design at the University of Hull.

Emily achieved an outstanding set of A Level results, securing **A grades** in Art and Photography alongside a **C** in Geography. She is continuing her creative journey at Leeds Arts University, where she is studying Fine Art.

» Emily

As a Year 12 student, you will be provided with your own new laptop to facilitate your studies, both whilst you are with us in the Sixth Form and when you leave us to progress onto university or other positive destinations.

Student support and well-being

We will support you every step of the way and are dedicated to getting you to where you want to be.

Your Student Services Manager will help you settle in and will be a vital point of contact for advice and information.

We have experienced subject teachers and tutors who will support and guide you in your studies and with your applications to university or employment.

Why us?

The Consortium Sixth Form College delivers post-16 provision with a focus on providing high quality teaching and individual support to secure the best achievement and outcomes for all.

Charlie
Hessle

"My time in Sixth Form helped me grow physically, academically, and personally. The step up in independence, combined with strong support from teachers, gave me the confidence and skills I will carry into university and beyond."

Jessica
Wolfreton

"Sixth Form helped me grow in confidence, become more independent and develop strong study habits. The support of passionate teachers and the opportunity to study subjects I genuinely enjoyed prepared me well for future success."

Zach
Wolfreton

"One of the things I most enjoyed about Sixth Form was the greater independence it offered. Studying subjects in more depth helped me develop a much deeper understanding of topics while preparing me for future study and career opportunities."

Jessica
Hessle

"Sixth Form provided a calm and supportive environment where I was able to balance my studies and social life. The guidance from teachers helped me grow in confidence, improve my well-being and successfully plan my next steps."

Transport

All Sixth Form students have access to free transport.

Our Sixth Form transport service provides services between Hessle and Wolfreton campuses and additional routes in the local area. This service has a regular timetable during term-time providing an easy and straight forward commute enabling you to complete your studies.

**The current bus timetable can be found within the travel section of our website:
www.consortiumcollege.co.uk**

In addition to the Sixth Form transport, both schools have service buses that cover the surrounding areas.

Our Trust

Lizann Lowson, CEO

The Consortium Sixth Form College is part of The Consortium Academy Trust.

As a Trust we are ambitious about the future, creating learning environments and excellence in teaching and learning that provide our learners with the best chance at a successful future. The strength of our Trust is in working together for the sole benefit of our young people.

Our highly skilled Sixth Form teams work collaboratively, by sharing resources and expertise, to ensure learners across all of our campuses experience inclusive learning opportunities alongside a challenging, fun and aspirant education. As a team, in partnership with parents, carers and other key stakeholders, we are ambitious to shape positive futures, so each young person is able to excel and achieve their goals.

“As a Trust we are ambitious about the future, creating learning environments and excellence in teaching and learning that provide our children and young people with the best chance at a successful future.”
